Сегменты робота

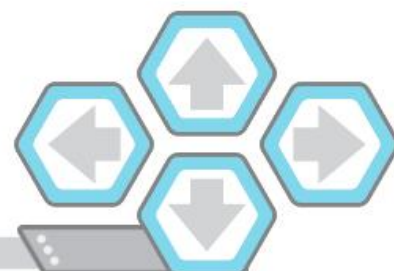

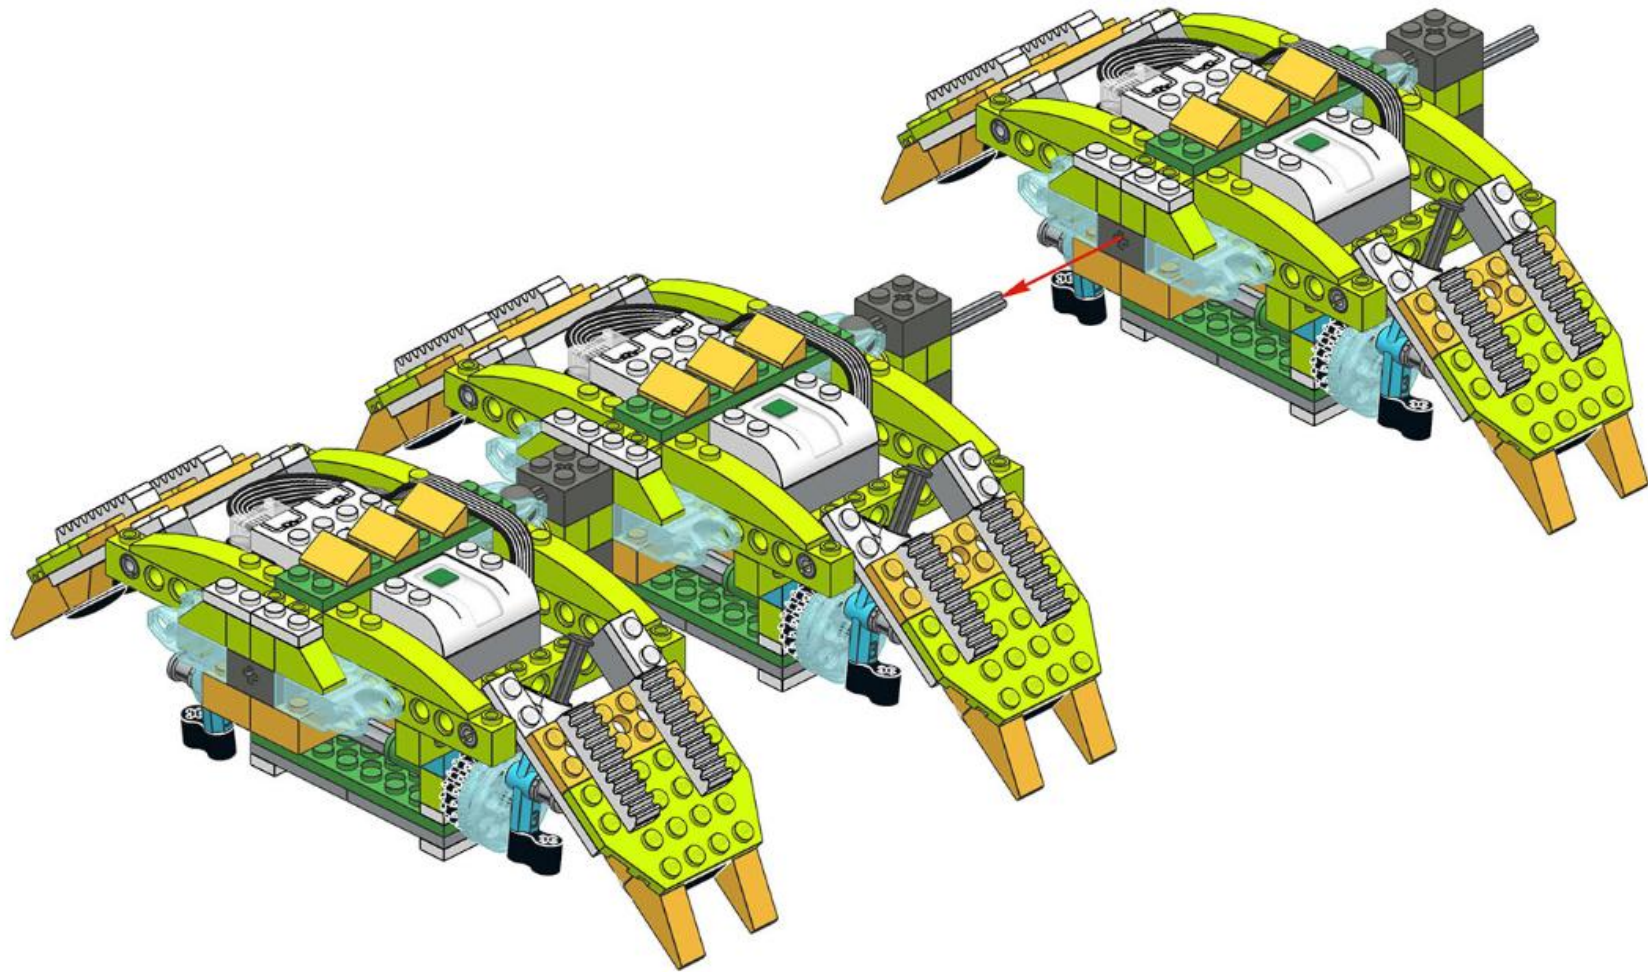

Соедините построенные
сегменты тела многоножки:

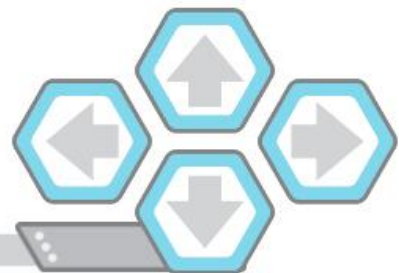

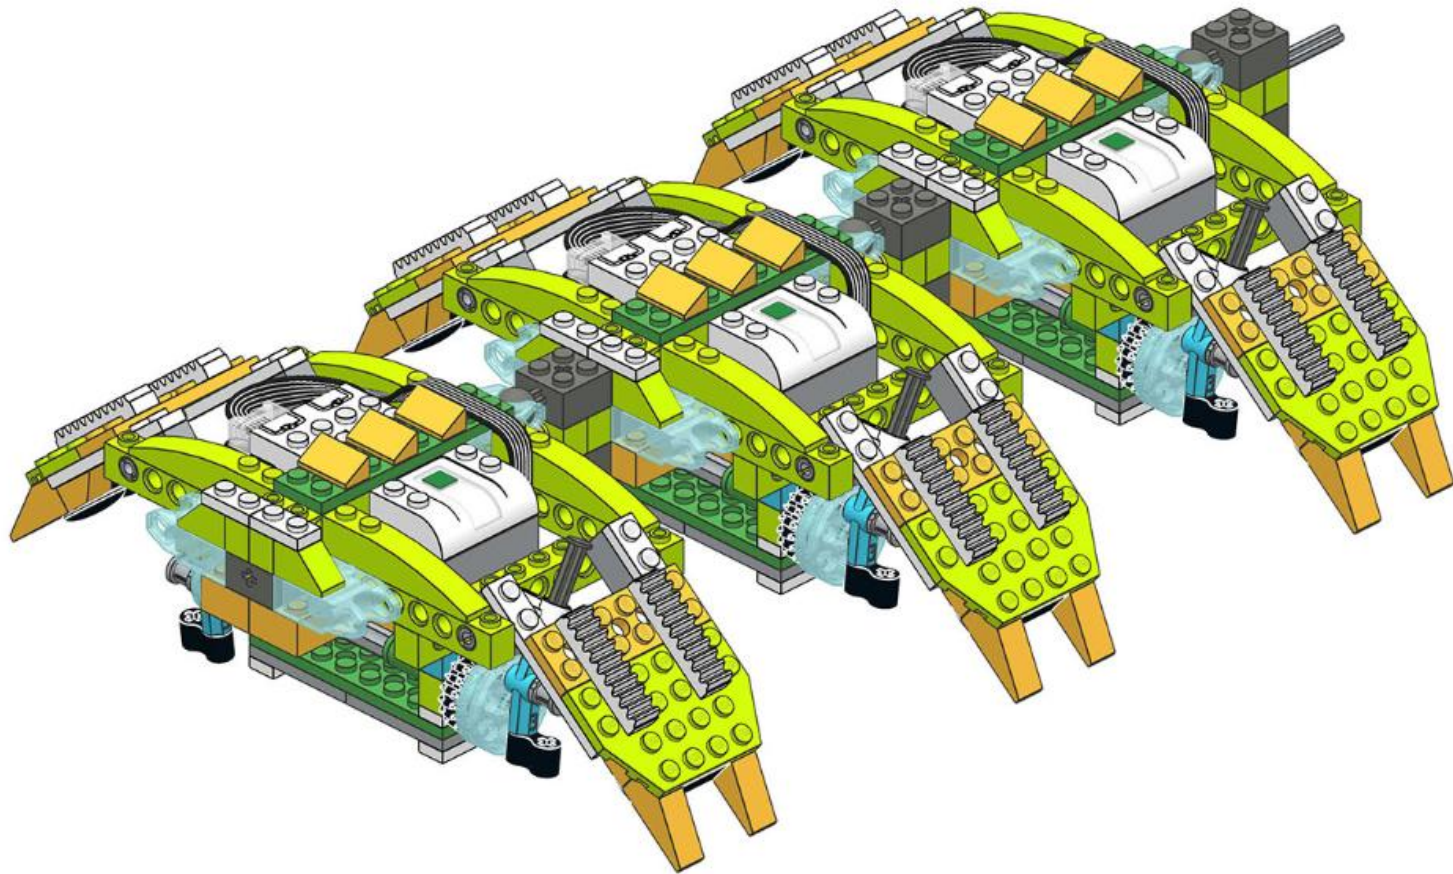

69

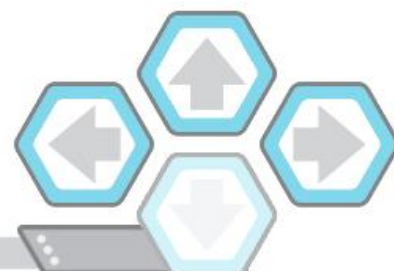

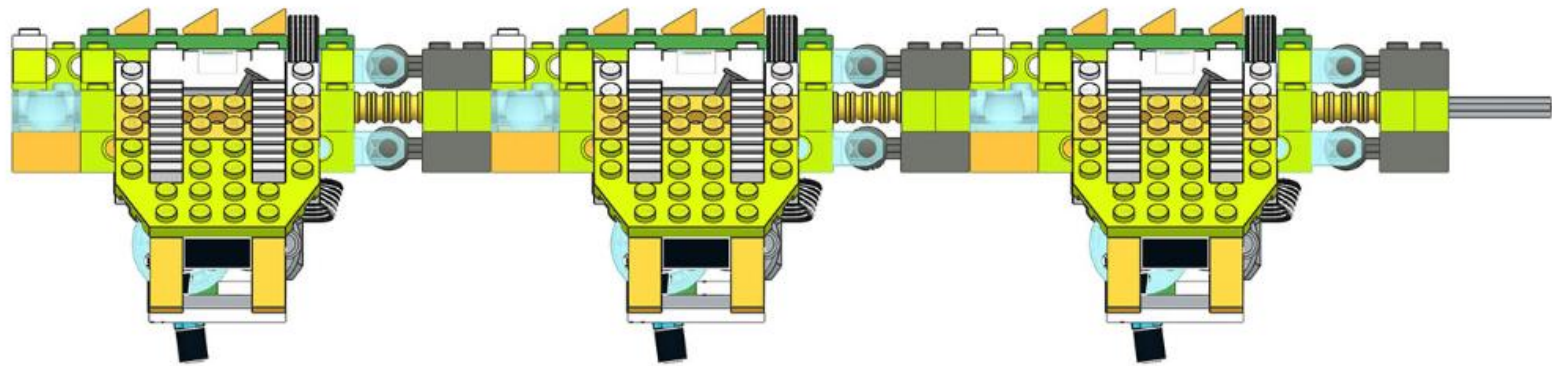

70

71

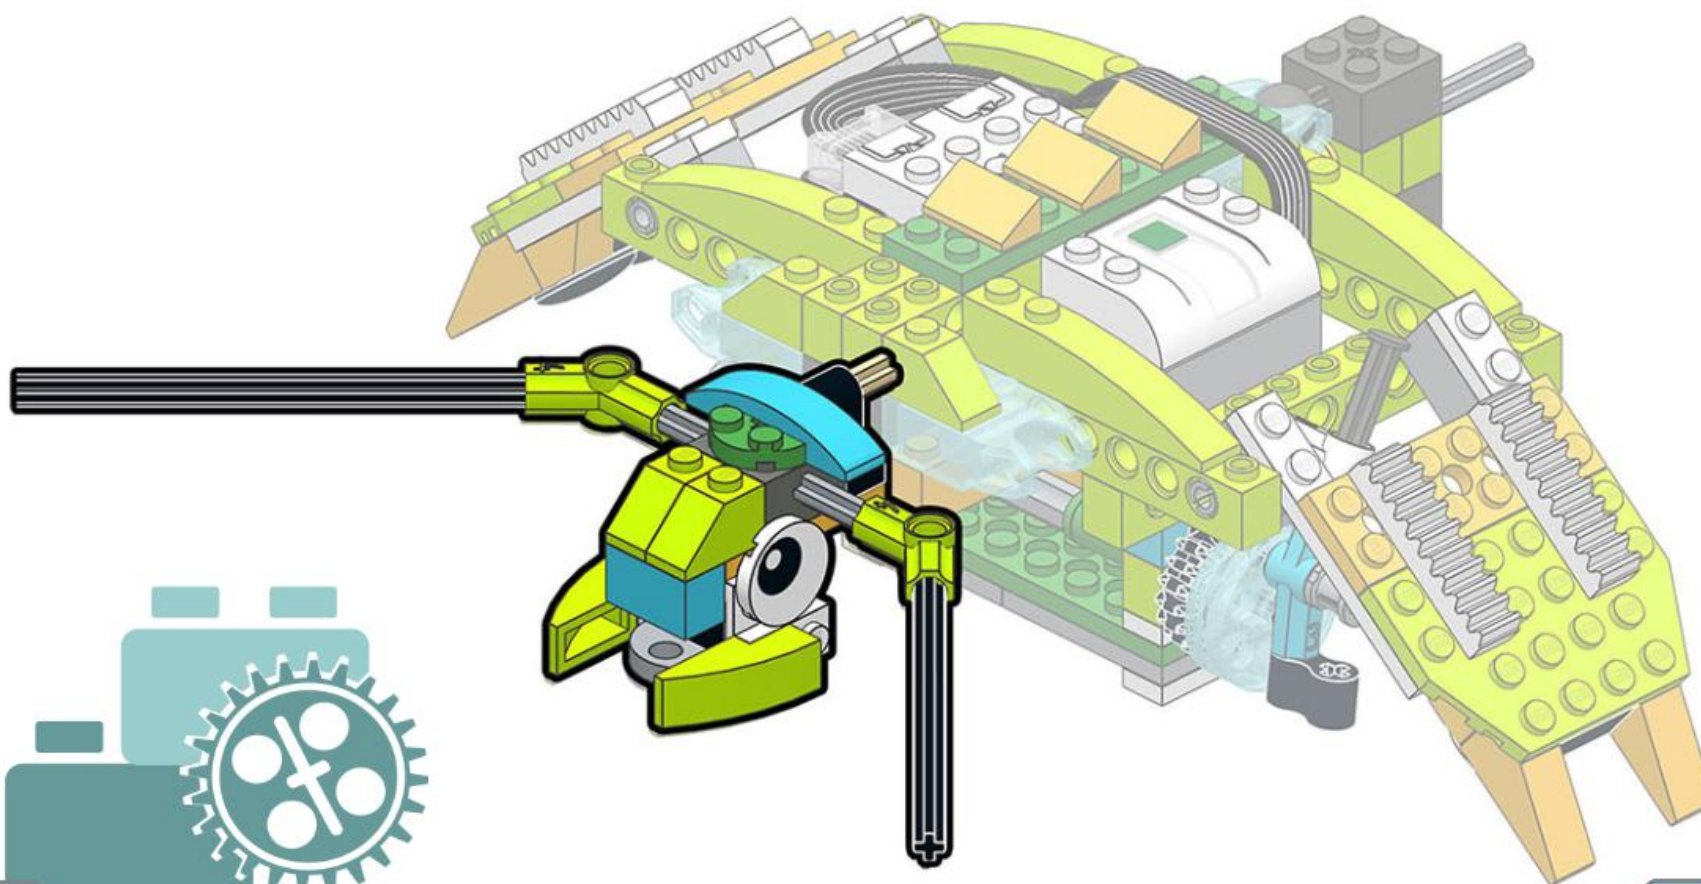

!

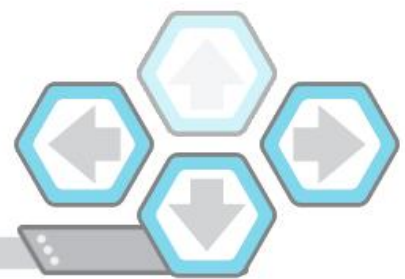

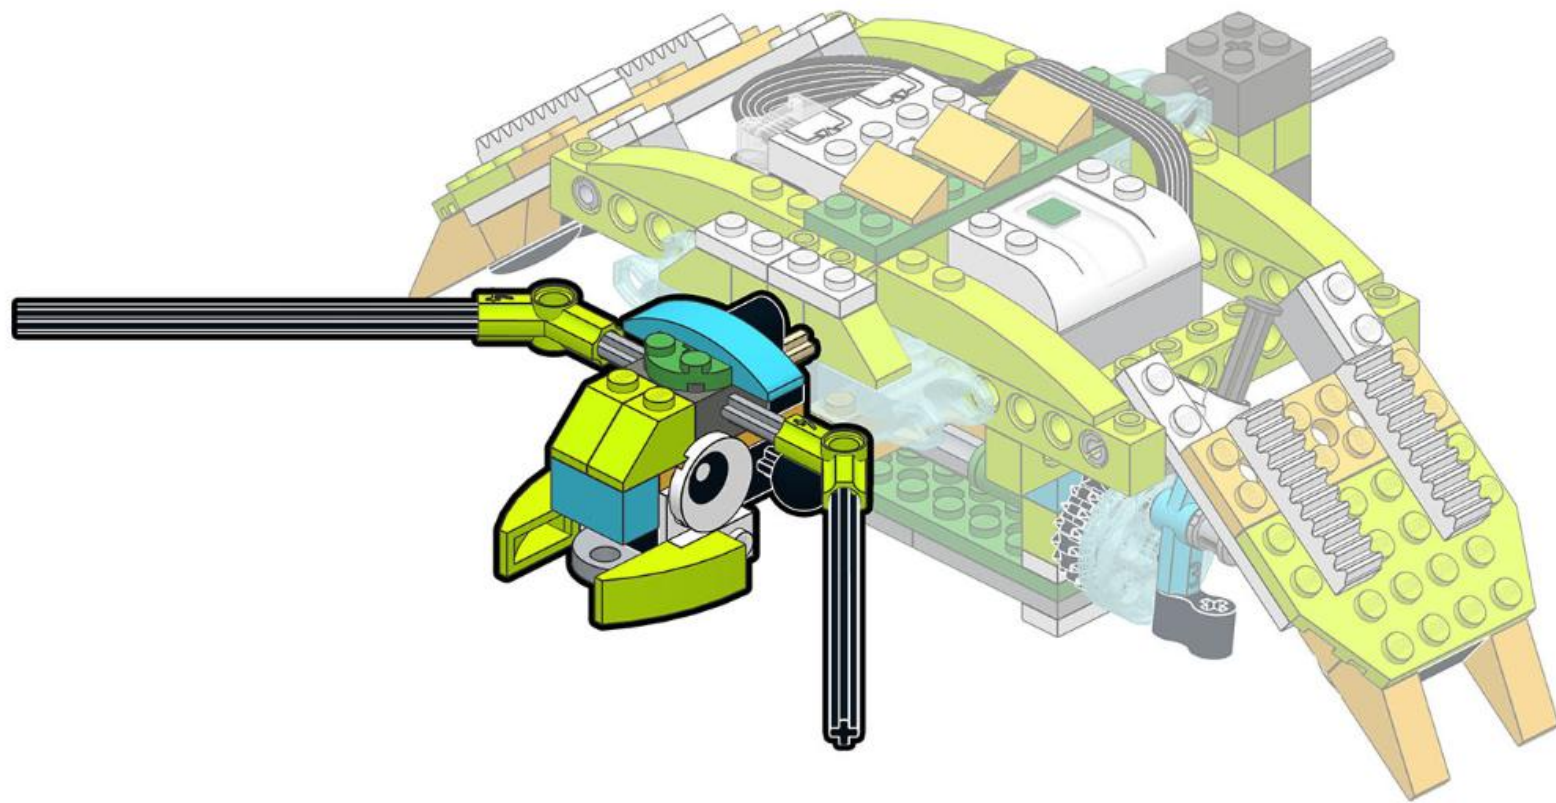

Голова

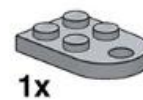

Команда, которая быстрее собрала робота может добавить голову к первому сегменту робота:

122

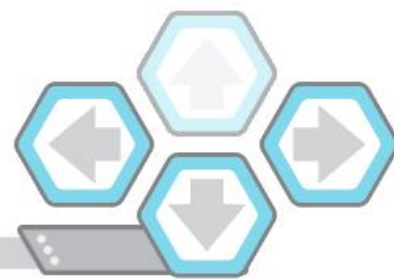

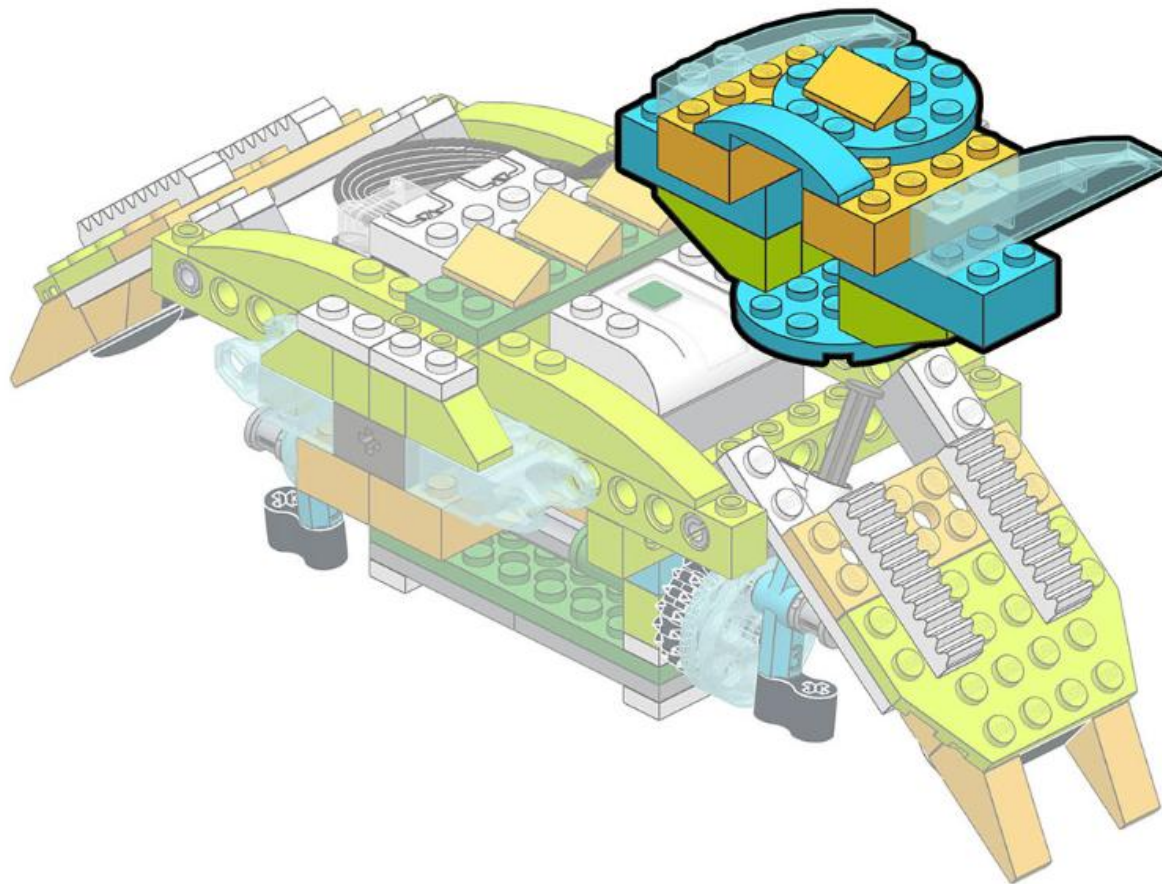

ХВОСТ

Другая команда, которая уже достроила своего робота может добавить хвост к последнему сегменту робота:

Проверьте!

При движении
робота кабели не
должны тереться!

138
